

# guide unit FEN-1"- -GF

Part number: 151723

FESTO

with plain-bearing guide, serves for protection against rotation, provides a high accuracy of guidance.

Type to be discontinued. Available until 2021. See Support Portal for alternative products.

## Data sheet

| Feature                            | Value                         |
|------------------------------------|-------------------------------|
| Size                               | 1"                            |
| Stroke                             | 0.04 ... 10 "                 |
| Assembly position                  | Any                           |
| Guide                              | Plain-bearing guide           |
| Design structure                   | Guide                         |
| Ambient temperature                | -4 ... 176 °F                 |
| Displacement force                 | 15 N                          |
| Additional weight per 10 mm stroke | 13 g                          |
| Basic weight for 0 mm stroke       | 866 g                         |
| Mounting type                      | with internal (female) thread |
| Material of guide component        | High alloy steel              |
| Material housing                   | Wrought Aluminium alloy       |
