

# Double DPZ-25-25-P-AKF

Part number: 160038

FESTO

## Datasheet

| Feature                    | Value                                     |
|----------------------------|---|
| Mode of operation          | Double acting                             |
| Type of mounting           | Circlip                                   |
| Form, external             | Profile                                   |
| Form piston                | Round                                     |
| Form piston rod            | Round                                     |
| Sensing type               | Magnetic                                  |
| Type of cushioning         | Internal cushioning ring (non-adjustable) |
| Protection against torsion | Parallel pistons                          |
| Piston, nominal size       | 25 mm                                     |
| Stroke                     | 25 mm                                     |
