## guided drive DFM-100-100-P-A-KF Part number: 170970

With integrated guide.

The proximity switch, type SMTSO-8E, can be used with this product with stroke lengths equal to or greater than 50 mm. The corresponding mounting kit, type SMB-8E, is mounted inwardly or outwardly.

## **Data sheet**

| Feature                                                             | Value                                                                       |
|---------------------------------------------------------------------|-----------------------------------------------------------------------------|
| Centre of gravity distance from working load to yoke plate          | 125 mm                                                                      |
| Stroke                                                              | 100 mm                                                                      |
| Piston diameter                                                     | 100 mm                                                                      |
| Operating mode of drive unit                                        | Yoke                                                                        |
