## pressure regulator LRS-1/4-D-7-I-MINI Part number: 194615 Classic - do not use for new projects

With increased return flow, with lockable regulator head, working pressure up to 7 bar.

Modern alternatives can be found by entering the first four characters of the type code in the search field.

**FESTO** 

## **Data sheet**

| Feature                            | Value   |
|------------------------------------|---|
| Size                               | Mini  |
| Series                             | D   |
| Actuator lock                      | Rotary knob with integrated lock  |
| Assembly position                  | Any   |
| Design structure                   | directly-controlled diaphragm regulator                                     |
| Controller function                | Output pressure constant  |
|                                    | with initial pressure compensation  |
|                                    | with secondary exhaust  |
|                                    | with return flow  |
| Pressure gauge                     | with pressure gauge   |
| Operating pressure                 | 1 16 bar  |
| Pressure regulation range          | 0.5 7 bar   |
| Max. pressure hysteresis           | 0.2 bar   |
| Standard nominal flow rate         | 1,600 l/min   |
| Operating medium                   | Compressed air in accordance with ISO8573-1:2010 [7:4:4]                    |
|                                    | Inert gases   |
| Note on operating and pilot medium | Lubricated operation possible (subsequently required for further operation) |
| PWIS conformity                    | VDMA24364-B1/B2-L   |
| Air purity class at output         | Compressed air in accordance with ISO8573-1:2010 [7:4:4]                    |
|                                    | Inert gases   |
| Medium temperature                 | -10 60 °C   |
| Ambient temperature                | -10 60 °C   |
| Product weight                     | 500 g   |
| Mounting type                      | Front panel installation  |
|                                    | Line installation   |
|                                    | with accessories  |
| Pneumatic connection, port 1       | G1/4  |
| Pneumatic connection, port 2       | G1/4  |
| Materials note                     | Conforms to RoHS  |
| Material of connecting plate       | Zinc die-casting  |
| Material seals                     | NBR   |
| Material housing                   | Zinc die-casting  |
