

# Manifold block PRMZ-3-M3-4

Part number: 30226

FESTO

For manifold mounting of Micro valves.

## Data sheet

| Feature                            | Value             |
|------------------------------------|-------------------|
| Product weight                     | 30 g              |
| Mounting type                      | with through hole |
| Pneumatic connection, port 1       | M5                |
| Pneumatic connection, port 2       | M3                |
| Pneumatic connection, port 3       | M5                |
| Materials information for sub-base | Aluminium         |
