

Swivel flange SSN-80

Part number: 34289

FESTO

With spherical bearing, for cylinders DNU, DKE.
Discontinued, available through 2008

Data sheet

Feature	Value
Size	80
Corrosion resistance classification CRC	2
Product weight	1,070 g
Material information, mounting	Nodular graphite cast iron
Materials information for bearing	PTFE Steel
Screw material data	Steel Galvanised
