

Swivel flange SSN-100

Part number: 34290

FESTO

With spherical bearing, for cylinders DNU, DKE.
Discontinued, available through 2008

Data sheet

Feature	Value
Size	100
Corrosion resistance classification CRC	2
Product weight	1,780 g
Material information, mounting	Nodular graphite cast iron
Materials information for bearing	PTFE Steel
Screw material data	Steel Galvanised
