

# supply plate

## VABF-S6-1-P1A6-G12

Part number: 539230

FESTO

For valve terminal VTSA, ISO plug-in.

### Data sheet

| Feature                                      | Value                                       |
|--|---|
| CE mark (see declaration of conformity)      | to EU directive low-voltage devices         |
| UKCA marking (see declaration of conformity) | To UK instructions for electrical equipment |
| Corrosion resistance classification CRC      | 0 - No corrosion stress                     |
| PWIS conformity                              | VDMA24364-B1/B2-L                           |
| Product weight                               | 597 g                                       |
| Materials note                               | Conforms to RoHS                            |
| Material supply plate                        | Aluminium die cast                          |
