

# shock absorber retainer DADP-DGC-18-KF

Part number: 541729

FESTO

For DGC and DGCI linear drives.

## Data sheet

| Feature                                 | Value                         |
|-----------------------------------------|-------------------------------|
| Size                                    | 18                            |
| Corrosion resistance classification CRC | 2 - Moderate corrosion stress |
| PWIS conformity                         | VDMA24364-B1/B2-L             |
| Ambient temperature                     | -10 ... 80 °C                 |
| Product weight                          | 130 g                         |
| Materials note                          | Conforms to RoHS              |
| Material housing                        | Aluminium<br>Anodised         |
