## connecting cable NEBU-M12G5-K-2.5-M8G4 Part number: 554036

For signal converter SVE4.

## **Data sheet**

| Feature                                              | Value                                                  |
|------------------------------------------------------|--------------------------------------------------------|
| Conforms to standard                                 | Core colours and connection numbers to EN 60947-5-2    |
|                                                      | EN 61076-2-101                                         |
|                                                      | EN 61076-2-104                                         |
| Cable identification                                 | with 2x label holders                                  |
| Product weight                                       | 81 g                                                   |
| Electrical connection 1, function                    | Field device side                                      |
| Electrical connection 1, design                      | Round                                                  |
| Electrical connection 1, connection type             | Plug socket                                            |
| Electrical connection 1, cable outlet                | Straight                                               |
| Electrical connection 1, connection technology       | M12x1, A-coded in accordance with EN 61076-2-101       |
| Electrical connection 1, number of pins/wires        | 5                                                      |
| Electrical connection 1, occupied pins/wires         | 4                                                      |
| Electrical connection 1, type of mounting            | Screw lock                                             |
| Electrical connection 2, function                    | Controller side                                        |
| Electrical connection 2, design                      | Round                                                  |
| Electrical connection 2, connection type             | Plug                                                   |
| Electrical connection 2, cable outlet                | Straight                                               |
| Electrical connection 2, connection technology       | M8x1, A-coded to EN 61076-2-104                        |
| Electrical connection 2, number of pins/wires        | 4                                                      |
| Electrical connection 2, occupied pins/wires         | 4                                                      |
| Electrical connection 2, type of mounting            | Screw lock                                             |
| Operating voltage range DC                           | 0 30 V                                                 |
| Operating voltage range AC                           | 0 30 V                                                 |
| Acceptable current load at 40°C                      | 3 A                                                    |
| Surge strength                                       | 0.8 kV                                                 |
| Cable length                                         | 2.5 m                                                  |
| Cable attribute                                      | Standard                                               |
| Test conditions of cable                             | Bending strength according to Festo standard           |
|                                                      | Test conditions on request                             |
|                                                      | Energy chain: > 5 million cycles, bending radius 75 mm |
| Bending radius, fixed cable installation             | 14 mm                                                  |
| Bending radius, flexible cable installation          | 46 mm                                                  |
| Cable diameter                                       | 4.5 mm                                                 |
| Cable diameter tolerance                             | ± 0,1 mm                                               |
| Cable structure                                      | 4x0,25                                                 |
| Nominal conductor cross-section                      | 0.25 mm2                                               |
| Protection class                                     | IP65                                                   |
|                                                      | IP68                                                   |
|                                                      | IP69K                                                  |
| Note on degree of protection                         | in assembled condition                                 |
| Special characteristics                              | Oil resistant                                          |
| Ambient temperature                                  | -25 70 °C                                              |
| Ambient temperature with flexible cable installation | -5 70 °C                                               |
| CE mark (see declaration of conformity)              | in accordance with EU RoHS directive                   |

## **FESTO**

| Feature                                      | Value                         |  |
|----------------------------------------------|-------------------------------|--|
| UKCA marking (see declaration of conformity) | To UK RoHS instructions       |  |
| PWIS conformity                              | VDMA24364-B2-L                |  |
| Materials note                               | Conforms to RoHS              |  |
|                                              | Halogen-free                  |  |
|                                              | Free of phosphoric acid ester |  |
