

# sensor rail EAPR-S1-S-15-50

Part number: 562612

FESTO

suitable for EGSK electrical slide.

## Data sheet

| Feature                                 | Value                               |
|---|-------------------------------------|
| Size                                    | 15                                  |
| Assembly position                       | Any                                 |
| Corrosion resistance classification CRC | 2 - Moderate corrosion stress       |
| PWIS conformity                         | VDMA24364-B2-L                      |
| Ambient temperature                     | -10 ... 60 °C                       |
| Product weight                          | 12 g                                |
| Materials note                          | Conforms to RoHS                    |
| Material cam                            | Steel<br>Galvanised                 |
| Material sensor bracket                 | Wrought Aluminium alloy<br>Anodised |
