## connecting cable NEBS-M12G5-ES-15-LE5 Part number: 8097576

## **Data sheet**

| Feature  | Value  |
|--|--|
| Cable identification                                 | with 2x label holders                            |
| Product weight                                       | 828 g  |
| Electrical connection 1, function                    | Field device side                                |
| Electrical connection 1, design                      | Round  |
| Electrical connection 1, connection type             | Plug socket                                      |
| Electrical connection 1, cable outlet                | Straight   |
| Electrical connection 1, connection technology       | M12x1, A-coded in accordance with EN 61076-2-101 |
| Electrical connection 1, number of pins/wires        | 5  |
| Electrical connection 1, occupied pins/wires         | 5  |
| Electrical connection 1, type of mounting            | Screw lock                                       |
| Electrical connection 2, function                    | Controller side                                  |
| Electrical connection 2, connection type             | Cable  |
| Electrical connection 2, connection technology       | Open end   |
| Electrical connection 2, number of pins/wires        | 5  |
| Electrical connection 2, occupied pins/wires         | 5  |
| Operating voltage range DC                           | 0 60 V   |
| Operating voltage range AC                           | 0 48 V   |
| Acceptable current load at 40°C                      | 4 A  |
| Surge strength                                       | 1.5 kV   |
| Shielding  | Yes  |
| Cable length   | 15 m   |
| Cable attribute                                      | Suitable for energy chains                       |
| Test conditions of cable                             | Test conditions on request                       |
| Bending radius, fixed cable installation             | >= 26 mm   |
| Bending radius, flexible cable installation          | >= 52 mm   |
| Cable diameter                                       | 5.25 mm  |
| Cable diameter tolerance                             | ± 0,2 mm   |
| Cable structure                                      | 5x0,34   |
|  | Shielded   |
| Nominal conductor cross-section                      | 0.34 mm2   |
| Wire ends  | Cut off bluntly                                  |
| Protection class                                     | IP65   |
|  | IP67   |
| Note on degree of protection                         | in assembled condition                           |
| Ambient temperature                                  | -40 80 °C  |
| Ambient temperature with flexible cable installation | -25 60 °C  |
| CE mark (see declaration of conformity)              | in accordance with EU RoHS directive             |
| UKCA marking (see declaration of conformity)         | To UK RoHS instructions                          |
| PWIS conformity                                      | VDMA24364-B2-L                                   |
| Materials note                                       | Conforms to RoHS                                 |
| Degree of contamination                              | 3  |
| Material cable sheath                                | TPE-U(PUR)                                       |
| Cable sheath colour                                  | Black  |
| Material seals                                       | NBR  |
| Material electrical contact                          | Nickel-plated and gold-plated bronze             |
| Material insulation                                  | PP   |
