

# Freewheel unit FLSM-40-L

Part number: 164233

FESTO

for semi-rotary drive DSM.

These drives can be delivered on request with ATEX certification. The data on "ATEX identification", "ATEX ambient temperature" and "CE label" in the data sheet relate only to drives with certification.

## Data sheet

| Feature                                       | Value                   |
|---|-------------------------|
| Size  | 40                      |
| Direction of rotation                         | anti-clockwise rotation |
| Assembly position                             | Any                     |
| PWIS conformity                               | VDMA24364-B1/B2-L       |
| Ambient temperature                           | -10 ... 60 °C           |
| Theoretical torque at 0.6 MPa (6 bar, 87 psi) | 19.98 Nm                |
| Product weight                                | 2,350 g                 |
| Material housing                              | Wrought Aluminum alloy  |
| Material sleeve                               | Case-hardened steel     |
| Material shaft                                | Case-hardened steel     |
