

# Swivel flange SZB-50

Part number: 30629

FESTO

For cylinder DZH, long side; matching clevis foot mountings LBZB, LN.

## Data sheet

| Feature                                 | Value                           |
|---|---------------------------------|
| Size                                    | 50                              |
| Assembly position                       | Any                             |
| Corrosion resistance classification CRC | 2 - Moderate corrosion stress   |
| PWIS conformity                         | VDMA24364-B2-L                  |
| Ambient temperature                     | -40 ... 90 °C                   |
| Product weight                          | 430 g                           |
| Materials note                          | Conforms to RoHS                |
| Material mounting                       | High alloy steel, non-corrosive |
| Material mounting pin                   | steel, galvanized               |
| Material bearing                        | Plastic                         |
| Material screws                         | Galvanized steel                |
| Material lock                           | Spring steel, galvanized        |
