

# Sensor rail DASP-B6-60-C-SR

Part number: 3528767

FESTO

## Data sheet

| Feature                                 | Value                         |
|---|-------------------------------|
| Size                                    | 10                            |
| Assembly position                       | Any                           |
| Design structure                        | Sensor strip                  |
| Corrosion resistance classification CRC | 2 - Moderate corrosion stress |
| PWIS conformity                         | VDMA24364-B1/B2-L             |
| Ambient temperature                     | 5 ... 60 °C                   |
| Materials note                          | Conforms to RoHS              |
| Material adhesive                       | Assembly adhesive             |
