## Valve manifold VTSA-FB-NPT Part number: 539218

**FESTO** 

Valve manifold VTSA, ISO 15407-2, ISO5599-2, with fieldbus connection.

## **Data sheet**

Overall data sheet - Individual values depend upon your configuration.

| Feature  | Value  |
|--|--|
| Electrical connection  | Fieldbus   |
|  | Ethernet   |
|  | Integrated controller  |
| Electrical I/O system  | Yes  |
| Valve manifold type  | 44   |
| Operating medium   | Compressed air in accordance with ISO8573-1:2010 [7:4:4]         |
| Note on operating and pilot medium                                   | Lubricated operation possible (subsequently required for further |
|  | operation)   |
| Ambient temperature  | -5 50 °C   |
| Storage temperature  | -20 60 °C  |
| Relative air humidity  | 0 - 90 %   |
| Protection class   | IP65   |
|  | NEMA 4   |
| Corrosion resistance classification CRC                              | 0 - No corrosion stress  |
| Operating pressure MPa   | -0.09 1 MPa  |
| Working pressure   | -0.9 10 bar  |
| Pilot pressure MPa   | 0.3 1 MPa  |
| Pilot pressure   | 3 10 bar   |
| Operating pressure for valve terminal with internal pilot air supply | 0.3 1 MPa  |
| Working pressure for valve manifold with internal pilot air supply   | 3 10 bar   |
| PWIS conformity  | VDMA24364-B1/B2-L  |
| CE symbol (see declaration of conformity)                            | according to EU-EMV guideline                                    |
| UKCA marking (see declaration of conformity)                         | To UK instructions for EMC                                       |
|  | To UK RoHS instructions  |
| KC mark  | KC-EMV   |
| Authorization  | BIA  |
|  | C-Tick   |
|  | c UL us - Recognized (OL)  |
| Materials note   | Conforms to RoHS   |
| Valve manifold structure   | Modular, valve sizes can be mixed                                |
| Max. number of valve positions                                       | 32   |
| Max. no. of pressure zones   | 32   |
| Type of actuation  | electrical   |
| Valve function   | 2x2/2 closed, monostable   |
|  | 2x3/2 closed, monostable   |
|  | 2x3/2 open, monostable   |
|  | 2x3/2 open/closed, monostable                                    |
|  | 5/2 bistable   |
|  | 5/2 bistable-dominant  |
|  | 5/2 monostable   |
|  | 5/2-way, monostable safety function                              |
|  | 5/3 pressurized  |

## FESTO

| Feature                         | Value                                |
|---------------------------------|--------------------------------------|
|                                 | 5/3 exhausted                        |
|                                 | 5/3 closed                           |
|                                 | 5/3, port 2 pressurized, 4 exhausted |
| Design structure                | Piston slide                         |
| Valve size                      | 18 mm                                |
|                                 | 26 mm                                |
|                                 | 42 mm                                |
|                                 | 65 mm                                |
|                                 | 52 mm                                |
| Pilot air supply                | external                             |
|                                 | Internal                             |
| Max. standard nominal flow rate | 550 l/min at 18 mm                   |
|                                 | 1100 l/min at 26 mm                  |
|                                 | 1300 l/min at 42 mm                  |
|                                 | 2900 l/min at 52 mm                  |
|                                 | 4000 l/min at 65 mm                  |
| Suitability for vacuum          | Yes                                  |
| Exhaust-air function            | Via throttle plate                   |
| Signal status display           | LED                                  |
| Nominal operating voltage DC    | 24 V                                 |
| Permissible voltage fluctuation | +/- 10 %                             |
