

Plug CAMF-B-M25-G4

Part number: 555676

FESTO

for interface housing CAMI-C.

Data sheet

Feature	Value
Additional functions	Mounting to prevent loss
Assembly position	Any
Nominal operating voltage DC	24 V
Operating voltage range AC	160 V
Permissible current load	1 A
Protection class	IP65 to IEC 60529
PWIS conformity	VDMA24364-B2-L
Materials note	Conforms to RoHS
Corrosion resistance classification CRC	0 - No corrosion stress
