

# Profile mounting DAMH-L8-32-PL-1

Part number: 8069015

FESTO

## Data sheet

| Feature                                 | Value                              |
|---|------------------------------------|
| Size                                    | 32                                 |
| Assembly position                       | Any                                |
| Corrosion resistance classification CRC | 1 - Low corrosion stress           |
| PWIS conformity                         | VDMA24364-B1/B2-L                  |
| Ambient temperature                     | 0 ... 60 °C                        |
| Product weight                          | 160 g                              |
| Mounting type                           | Direct mounting via through-holes  |
| Materials note                          | Conforms to RoHS<br>Free of copper |
| Material mounting                       | Wrought aluminum alloy, anodized   |
| Material sleeve                         | High alloy steel, non-corrosive    |
| Material nut                            | steel, galvanized                  |
| Material screws                         | Galvanized steel                   |
