

# Blanking plate VABB-L1-10-T-F1A

Part number: 8141537

FESTO

## Data sheet

Feature	Value
Variants	Recommended for production facilities for the manufacture of lithium-ion batteries
Corrosion resistance classification CRC	0 - No corrosion stress
PWIS conformity	VDMA24364 zone III
RSBP classification to CD-0033	F1a
Cleanroom class	ISO class 6
Product weight	21 g
Materials note	Conforms to RoHS
