

# flange mounting EAHH-V2-80-R1

Part number: 1502306

FESTO

Can be used on the bearing cap, but not in combination with the bellows kit.

## Data sheet

| Feature                                 | Value  |
|---|--|
| Size                                    | 80   |
| Based on the standard                   | ISO 15552  |
| Corrosion resistance classification CRC | 3 - High corrosion stress  |
| PWIS conformity                         | VDMA24364-B2-L   |
| RSBP classification to CD-0033          | F5a  |
| Cleanroom class                         | This product is a static object, active particle generation is not possible when used correctly.<br>Clean product before using it in a cleanroom environment and ensure it is installed correctly. |
| Product weight                          | 1,360 g  |
| Materials note                          | Conforms to RoHS   |
| Material plate                          | High alloy steel, non-corrosive  |
| Material screws                         | High alloy steel, non-corrosive  |
