

# Push-in sleeve QSH-1/4-3/16-U

Part number: 153824

FESTO

reducing.

This product is only available if ordered from the Festo Corporation, USA.

Products to be discontinued. Available until 2011.

## Data sheet

| Feature                                  | Value  |
|--|--|
| Assembly position                        | Any  |
| Container size                           | 1  |
| Design structure                         | Push/pull principle                              |
| Operating pressure                       | -0.95 ... 10 bar                                 |
| Temperature dependent operating pressure | -0.95 ... 10 bar                                 |
| Operating medium                         | Filtered compressed air<br>Vacuum                |
| Corrosion resistance classification CRC  | 1  |
| Ambient temperature                      | -10 ... 60 °C                                    |
| Authorisation                            | Germanischer Lloyd                               |
| Product weight                           | 1 g  |
| Pneumatic connection                     | Push-in sleeve QS-3/16<br>Push-in sleeve QS-1/4" |
| Colour of release ring                   | Grey   |
| Materials note                           | Conforms to RoHS                                 |
| Materials information, housing           | PBT  |
