## Branching module MS6-FRM-3/8 Part number: 529861

## **Data sheet**

| Feature  | Value  |
|--|--|
| Mounting position                                      | optional   |
| Design   | Branching module   |
| Operating pressure                                     | 0 bar20 bar  |
| Standard nominal flow rate in main flow direction 1->2 | 9200 l/min   |
| Standard nominal flow rate, outlet upwards             | 4700 l/min   |
| Standard nominal flow rate, outlet downwards           | 4800 l/min   |
| Operational voltage range AC                           | 0 V250 V   |
| Operational voltage range DC                           | 0 V125 V   |
| Operating medium                                       | Compressed air to ISO 8573-1:2010 [7:4:4]<br>Inert gases                                   |
| Note on operating and pilot medium                     | Lubricated operation possible (in which case lubricated operation will always be required) |
| Corrosion resistance class CRC                         | 2 - Moderate corrosion stress  |
| LABS (PWIS) conformity                                 | VDMA24364-B1/B2-L  |
| Storage temperature                                    | -10 °C60 °C  |
| Suitable for use with food                             | See supplementary material information   |
| Media temperature                                      | -10 ℃60 ℃  |
| Ambient temperature                                    | -10 ℃60 ℃  |
| Product weight   | 458 g  |
| Pneumatic connection, port 1                           | G3/8   |
| Pneumatic connection, port 2                           | G3/8   |
| Pneumatic connection, port 3                           | G1/2   |
| Pneumatic connection, port 4                           | G1/2   |
| Note on materials                                      | RoHS-compliant   |
| Material housing                                       | Die-cast aluminium   |
