

# power supply module

## VABF-B6-P1A5-Q10

Part number: 537517

FESTO

For additional supply of compressed air from manifold strips.

### Data sheet

| Feature                                   | Value                                       |
|---|---|
| Corrosion resistance classification CRC   | 2   |
| Product weight                            | 30 g  |
| Pneumatic connection, port 1              | QS-10                                       |
| Materials note                            | Free of copper and PTFE<br>Conforms to RoHS |
| Material information, power supply module | PA-reinforced                               |
