

Ball valve drive unit VZPR-BPS-22-R212R

Part number: 550346

FESTO

Comprising pneumatic DAPS semi-rotary drive, combined with a 2/2-way VAPB ball valve in stainless steel version.

Data sheet

Feature	Value
Design structure	2-way ball valve Swivel drive
Type of actuation	electrical pneumatic
Assembly position	Any
Mounting type	Line installation
Nominal size	65 mm
Valve function	2/2
Materials note	Contains PWIS substances
Product weight	18,000 g
Corrosion resistance classification CRC	3
