

# Adapter DASP-N8-25-AT-AD

Part number: 566403

FESTO

enables the assembly of the position transmitter SMAT on a round cylinder by means of the mounting kit SMBR.

## Data sheet

Feature	Value
Size	25
Corrosion resistance classification CRC	2
Ambient temperature	-20 ... 70 °C
Product weight	1.2 g
Materials note	Conforms to RoHS
Materials information for adapter	Wrought Aluminium alloy
