

# blanking plate VABB-L1-14-T-F1A

Part number: 8141538

FESTO

## Data sheet

Feature	Value
Variants	Recommended for production facilities for the manufacture of lithium-ion batteries
Corrosion resistance classification CRC	0 - No corrosion stress
PWIS conformity	VDMA24364 zone III
RSBP classification to CD-0033	F1a
Cleanroom class	ISO class 6
Product weight	32 g
