## **Exhaust flow control valve GRE-1/2**Part number: 10353

**FESTO** 

With sintered metal silencer.

## **Data sheet**

| Feature                                              | Value                                                                       |
|------------------------------------------------------|-----------------------------------------------------------------------------|
| Valve function                                       | Flow control – silencer function                                            |
| Pneumatic connection, port 1                         | G1/2                                                                        |
| Adjusting element                                    | Slotted head screw                                                          |
| Mounting type                                        | Threaded                                                                    |
| Standard nominal flow rate in flow control direction | 3,600 l/min                                                                 |
| Standard flow rate 0.6->0 MPa (6->0 bar, 87->0 psi)  | 0 4,300 l/min                                                               |
| Working pressure                                     | 0 10 bar                                                                    |
| Ambient temperature                                  | -10 70 °C                                                                   |
| Assembly position                                    | Any                                                                         |
| Operating medium                                     | Compressed air in accordance with ISO8573-1:2010 [7:-:-]                    |
| Note on operating and pilot medium                   | Lubricated operation possible (subsequently required for further operation) |
| PWIS conformity                                      | VDMA24364-B1/B2-L                                                           |
| Medium temperature                                   | -10 70 °C                                                                   |
| Product weight                                       | 75 g                                                                        |
| Material of threaded plug                            | Wrought Aluminum alloy                                                      |
| Materials note                                       | Conforms to RoHS                                                            |
| Material seals                                       | NBR                                                                         |
| Material adjusting screw                             | Brass                                                                       |
