Compact cylinder ADVU-20-20-A-P-A Part number: 156603 Classic - do not use for new projects

For proximity sensing, piston-rod end with male thread. Modern alternatives can be found by entering the first four characters of the type code in the search field.

Mounting type with through hole	
with accessories	
Optional	
Pneumatic connection M5	
Material of flange screw steel, galvanized	
Material cover Wrought Aluminum alloy	
Material of dynamic seals NBR TPE-U(PU)	
Material piston rod High alloy steel, non-corrosive	
Material cylinder barrel Wrought Aluminum alloy
