

Bus interface SPC200-COM-IBS

Part number: 170225

FESTO

With Interbus connection.

Data sheet

Feature	Value
Configuration support	Icons for CMD software
Typical current consumption, plug-in module	70 mA
Product weight	80 g
Maximum number of process data bits, outputs	64
Maximum number of process data bits, inputs	64
Fieldbus interface design	Remote bus Electrical isolation 500 kBaud Ident-Code 3d
Electrical connection, fieldbus interface IN	Plug SUB-D 9-pin
Electrical connection, fieldbus interface OUT	Plug socket SUB-D 9-pin
Installation space	From 3 up 4 or more with MMI
