

Motor flange EAMF-A-64A/C-80G

Part number: 533139

FESTO

For electromechanical drive with stepper motor

Data sheet

Feature	Value
Assembly position	Any
Storage temperature	-25 ... 60 °C
Relative air humidity	0 - 95 %
Ambient temperature	-10 ... 60 °C
Interface code, motor in	80G
Interface code, coupling housing	64A 64C
Materials note	Conforms to RoHS
