

Coupling housing EAMK-A-D60-52B

Part number: 552161

FESTO

suitable for electro-cylinder DNCE.

Data sheet

Feature	Value
Assembly position	Any
Storage temperature	-25 ... 60 °C
Relative air humidity	0 - 95 %
Ambient temperature	-10 ... 60 °C
Interface code, actuator	D60A D60B D60C
Interface code, coupling housing	52B
Materials note	Contains PWIS substances Conforms to RoHS
