

# Adapter kit DARQ-K-F05S14-F03S9

Part number: 553820  
Product to be discontinued

FESTO

To connect the drive and process valve.  
Type to be discontinued. Available until 2023. See Support Portal for alternative products.

## Data sheet

| Feature                                 | Value  |
|---|--|
| Based on the standard                   | EN 15081                                     |
| Corrosion resistance classification CRC | 1 - Low corrosion stress                     |
| Product weight                          | 630 g  |
| Materials note                          | Contains PWIS substances<br>Conforms to RoHS |
| Material coupling                       | High alloy steel                             |
| Material mounting adapter               | steel, galvanized                            |
| Material disc                           | High alloy steel, non-corrosive              |
| Material screws                         | Stainless steel                              |
