## Flow sensor SFAB-200U-HQ8-2SV-M12 Part number: 565394

## **Data sheet**

| Feature                                      | Value  |
|--|--|
| Certification                                | RCM compliance mark<br>c UL us - Recognized (OL)       |
| CE marking (see declaration of conformity)   | As per EU EMC directive As per EU RoHS directive       |
| UKCA marking (see declaration of conformity) | To UK instructions for EMC To UK RoHS instructions     |
| Certificate issuing authority                | UL E322346   |
| Note on materials                            | RoHS-compliant   |
| Measured variable                            | Volume<br>Volumetric flow rate                         |
| Flow direction                               | Unidirectional<br>P1 -> P2                             |
| Measuring principle                          | Thermal  |
| Method of measurement                        | Heat loss  |
| Flow measuring range start value             | 2 l/min  |
| Flow measuring range end value               | 200 l/min  |
| Operating pressure                           | 0 MPa1 MPa<br>0 bar10 bar                              |
| Operating medium                             | Compressed air as per ISO 8573-1:2010 [7:4:4] Nitrogen |
| Temperature of medium                        | 0 °C50 °C  |
| Ambient temperature                          | 0 °C50 °C  |
| Nominal temperature                          | 23 °C  |
| Accuracy of flow rate                        | ± (3% o.m.v. + 0.3% FS)                                |
| Zero point repetition accuracy in ± %FS      | 0.2 %FS  |
| Repetition accuracy margin in ± %FS          | 0.8 %FS  |
| Temperature co-efficient margin in ± %FS/K   | typ. 0. 1%FS/K   |
| Pressure influence of margin in ±%FS/bar     | 0.5 %FS/b.   |
| Switching output                             | 2 x PNP or 2 x NPN switchable                          |
| Switching function                           | Window comparator<br>Threshold value comparator        |
| Switching element function                   | N/C contact/N/O contact switchable                     |
| Max. output current                          | 100 mA   |
| Analog output                                | 0 - 10 V   |

| Feature  | Value                                      |
|--|--|
| Flow characteristic curve, start value         | 0 l/min                                    |
| Flow characteristic curve, end value           | 200 l/min                                  |
| Output characteristic curve initial value      | 0 V  |
| End value output characteristic curve          | 10 V                                       |
| Min. load resistance of voltage output         | 10 kOhm                                    |
| Short-circuit protection                       | yes  |
| Overload protection                            | Available                                  |
| DC operating voltage range                     | 15 V30 V                                   |
| Idle current                                   | 120 mA                                     |
| Reverse polarity protection                    | for all electrical connections             |
| Electrical connection 1, connection type       | Plug                                       |
| Electrical connection 1, connection technology | M12x1 A-coded as per EN 61076-2-101        |
| Electrical connection 1, number of pins/wires  | 5  |
| Type of mounting                               | With through-hole<br>With H-rail           |
| Mounting position                              | Any  |
| Pneumatic connection                           | For pneumatic tubing outside diameter 8 mm |
| Product weight                                 | 160 g                                      |
| Housing material                               | PA-reinforced                              |
| Display type                                   | Illuminated LCD, multi-color               |
| Displayable unit(s)                            | l l/h l/min m3 scf scfm                    |
| Setting options                                | Teach-in<br>Via display and pushbuttons    |
| Protection against tampering                   | PIN code                                   |
| Degree of protection                           | IP65                                       |
| Pressure drop                                  | 100 mbar                                   |
| Protection class                               | III  |
| Corrosion resistance class (CRC)               | 2 - Moderate corrosion stress              |
| LABS (PWIS) conformity                         | VDMA24364-B1/B2-L                          |
