

# 擺動法蘭 DAMS-C7-4"-D

料號: 8148936

FESTO

## 技術參數

| 特性                     | 值                   |
|------------------------|---------------------|
| 尺寸                     | 4"                  |
| PWIS conformity        | VDMA24364 zone III  |
| 環境溫度                   | 23 ... 176 °F       |
| 材料備註                   | 符合 RoHS             |
| Material mounting pin  | 鋼                   |
| Cotter pin material    | 鋼                   |
| Material screws        | 鋼                   |
| Swivel flange material | Cast steel, painted |
