

Cantilever system YXCA-2-D

Part number: 8225520

FESTO

Data sheet

Feature	Value
Req. flatness mounting surfaces	0.1 mm/m
Mounting position	Horizontal
Design	3D gantry system With electric and pneumatic drive modules
Duty cycle	100%
LABS (PWIS) conformity	VDMA24364 zone III
Storage temperature	-20 °C...60 °C
Relative air humidity	0 - 90%
Degree of protection	IP20
Ambient temperature	5 °C...45 °C
Maintenance interval	2500 km
Note on materials	RoHS-compliant
Material adapter plate	Anodised aluminium
Material mounting bracket	High-alloy stainless steel
Material energy chains	PA-reinforced
Material console	High-alloy stainless steel
