

**Cable**  
**NEYM-F- -Q9**  
Part number: 8242219

**FESTO**

**Data sheet**

| Feature                               | Value                                                                                                         |
|---------------------------------------|---------------------------------------------------------------------------------------------------------------|
| Product weight                        | 0.223 kg...6.69 kg                                                                                            |
| Operational voltage range DC          | 0 V...850 V                                                                                                   |
| Operational voltage range AC          | 0 V...630 V                                                                                                   |
| Permissible current load              | 17.8 A                                                                                                        |
| Protective conductor connection       | Not available                                                                                                 |
| Cable diameter                        | 11.5 mm                                                                                                       |
| Cable structure                       | 4 x 1.5 mm <sup>2</sup> + (2 x 0.75 mm <sup>2</sup> ) + (4 x 0.14 mm <sup>2</sup> + 2 x 0.2 mm <sup>2</sup> ) |
| Degree of protection                  | IP00                                                                                                          |
| Ambient temperature                   | 90 °C                                                                                                         |
| Ambient temperature with moving cable | 90 °C                                                                                                         |
| Storage temperature                   | 70 °C                                                                                                         |
| LABS (PWIS) conformity                | VDMA24364-B2-L                                                                                                |
| Note on materials                     | RoHS-compliant                                                                                                |
| Material cable sheath                 | TPE-E                                                                                                         |
| Cable sheath colour                   | Grey                                                                                                          |
