## **Motor cable NEBM-M23G15-EH-2.5-Q7N-R3LEG14**Part number: 5251374

**FESTO** 

## **Data sheet**

| Feature  | Value                            |
|--|----------------------------------|
| Based on standard                                    | EN 61984                         |
| Cable designation                                    | Without inscription label holder |
| Product weight                                       | 875 g                            |
| Electrical connection 1, function                    | Field device side                |
| Electrical connection 1, design                      | Round                            |
| Electrical connection 1, connection type             | Hybrid socket                    |
| Electrical connection 1, cable outlet                | Straight                         |
| Electrical connection 1, connector system            | M23x1                            |
| Electrical connection 1, number of connections/cores | 15                               |
| Electrical connection 1, used connections/cores      | 12                               |
| Electrical connection 1, type of mounting            | Screw-type lock                  |
| Electrical connection 2, function                    | Controller side                  |
| Electrical connection 2, connection type             | Plugs and cables                 |
| Electrical connection 2, cable outlet                | Straight                         |
| Electrical connection 2, connector system            | RJ45 and open end                |
| Electrical connection 2, number of connections/cores | 14                               |
| Electrical connection 2, used connections/cores      | 12                               |
| Operational voltage range DC                         | 0 V850 V                         |
| Operational voltage range AC                         | 0 V630 V                         |
| Current rating at 40° C                              | 11.7 A                           |
| Immunity to surge                                    | 6 kV                             |
| Shielding  | yes                              |
| Cable length   | 2.5 m                            |
| Cable characteristic                                 | Suitable for energy chains       |
| Test conditions cable                                | Test conditions on request       |
| Bending radius, fixed cable                          | 48 mm                            |
| Bending radius, moving cable                         | 90 mm                            |
| Cable diameter                                       | 12 mm                            |
| Cable diameter tolerance                             | ± 0.3 mm                         |
