

# Sub-base-SET MS4-AGC

Part number: 526070

## Data sheet

| Feature                        | Value                         |
|--------------------------------|-------------------------------|
| Size                           | 4                             |
| Series                         | MS                            |
| Corrosion resistance class CRC | 2 - Moderate corrosion stress |
| LABS (PWIS) conformity         | VDMA24364-B1/B2-L             |
| Media temperature              | -10 °C...60 °C                |
| Product weight                 | 128 g                         |
| Pneumatic connection, port 1   | G3/8                          |
| Pneumatic connection, port 2   | G3/8                          |
| Note on materials              | RoHS-compliant                |
| Material sub-base              | Die-cast aluminium            |
| Material seals                 | NBR                           |
