

# Flange mounting CRFBN-20/25

Part number: 161865

FESTO

Corrosion resistant,  
for cylinders CRDG, CRDSNU.

## Data sheet

| Feature                                 | Value                           |
|---|---------------------------------|
| Size                                    | 20/25                           |
| Assembly position                       | Any                             |
| Corrosion resistance classification CRC | 4 - Very high corrosion stress  |
| PWIS conformity                         | VDMA24364-B1/B2-L               |
| RSBP classification to CD-0033          | F1a                             |
| Ambient temperature                     | -40 ... 150 °C                  |
| Product weight                          | 52 g                            |
| Materials note                          | Conforms to RoHS                |
| Material mounting                       | High alloy steel, non-corrosive |
