

Serial interface SPC200-MMI-DIAG

Part number: 170176

FESTO

For diagnostic and operator unit.

Data sheet

Feature	Value
Product weight	68 g
Diagnosis interface design	RS232C Electrical isolation 9600 - 115200 Baud 8 bits of data 1 stop bit even parity No handshake
MMI interface design	Similar to RS 232 C No electrical isolation
Diagnosis interface electrical connection	Plug socket SUB-D 9-pin
Electrical connection, MMI-1	Pin strip 2 x 5-pin
Installation space	2
