

Coupling housing EAMK-A-E20-28B

Part number: 170374

FESTO

For DGE axes.

Data sheet

| Feature | Value |
|----------------------------------|------------------|
| Assembly position | Any |
| Storage temperature | -25 ... 60 °C |
| Relative air humidity | 0 - 95 % |
| Ambient temperature | -10 ... 60 °C |
| Interface code, actuator | E20 |
| Interface code, coupling housing | 28B |
| Materials note | Conforms to RoHS |
