

# Socket connector MSSD-ZBZC

Part number: 185521

FESTO

For valves CPE10, CPE14, MZBH, MOZBH.

## Data sheet

Feature	Value
Maritime classification	see certificate
Mounting type	On solenoid valve with self-tapping screw
Assembly position	Any
Product weight	11 g
Electrical connection	Plug socket
Operating voltage range DC	3 ... 36 V
Nominal operating voltage DC	24 V
Nominal conductor cross-section	0.22 ... 0.34 mm <sup>2</sup>
Protection class	IP50
Ambient temperature	-10 ... 50 °C
PWIS conformity	VDMA24364-B2-L
Materials note	Conforms to RoHS
Corrosion resistance classification CRC	1 - Low corrosion stress
Material housing	PA
