

Inspection cover AK-SUB-9/15-B

Part number: 533334

FESTO

For CPX bus nodes

Data sheet

Feature	Value
Product weight	20 g
Protection class	IP65 IP67 in assembled condition to IEC 60529
Ambient temperature	-5 ... 50 °C
PWIS conformity	VDMA24364-B2-L
Corrosion resistance classification CRC	1 - Low corrosion stress
Material screws	Steel Galvanized
Material seals	NBR
Material cover	PA
Relative air humidity	non-condensing
