

# Sensor rail

## HGP-SL10-35

Part number: 535586

### Data sheet

| Feature                                 | Value                         |
|---|-------------------------------|
| Size                                    | 10                            |
| Assembly position                       | Any                           |
| Design structure                        | Sensor strip                  |
| Corrosion resistance classification CRC | 2 - Moderate corrosion stress |
| PWIS conformity                         | VDMA24364-B2-L                |
| Ambient temperature                     | 5 ... 60 °C                   |
| Materials note                          | Conforms to RoHS              |
| Material adhesive                       | Assembly adhesive             |
