

Ball valve actuator unit VZPR-BPS-22-R112R

Part number: 550344

FESTO

Comprising pneumatic DAPS semi-rotary actuator, combined with a 2/2-way VAPB ball valve in stainless steel version.

Data sheet

Feature	Value
Design structure	2-way ball valve Swivel actuator
Type of actuation	electrical pneumatic
Assembly position	Any
Mounting type	Line installation
Nominal size	40 mm
Valve function	2/2
Materials note	Contains PWIS substances
Product weight	8,300 g
Corrosion resistance classification CRC	3
