

Coupling housing EAMK-A-S95-95A/B

Part number: 558174

FESTO

suitable for spindle axis EGC-BS

Data sheet

| Feature | Value |
|----------------------------------|------------------|
| Assembly position | Any |
| Storage temperature | -25 ... 60 °C |
| Relative air humidity | 0 - 95 % |
| Ambient temperature | -10 ... 60 °C |
| Interface code, actuator | S95 |
| Interface code, coupling housing | 95A 95B |
| Materials note | Conforms to RoHS |
