

# Tie rod VMPAL-ZAE-20

Part number: 561141

FESTO

## Data sheet

| Feature                                 | Value                           |
|---|---------------------------------|
| Length                                  | 20 mm                           |
| Container size                          | 3                               |
| Corrosion resistance classification CRC | 3 - High corrosion stress       |
| PWIS conformity                         | VDMA24364-B1/B2-L               |
| Ambient temperature                     | -5 ... 50 °C                    |
| Max. tightening torque                  | 1.7 Nm                          |
| Product weight                          | 138 g                           |
| Materials note                          | Conforms to RoHS                |
| Material tie rod                        | High alloy steel, non-corrosive |
