

# Ring piece TK-1/4-PK-6-KU

Part number: 6287

FESTO

With 2 sealing rings.

## Data sheet

| Feature                                       | Value  |
|---|--|
| Operating pressure complete temperature range | 0 ... 10 bar   |
| Maritime classification                       | see certificate                                      |
| PWIS conformity                               | VDMA24364-B1/B2-L                                    |
| Pneumatic connection, port 1                  | Male thread G1/4                                     |
| Pneumatic connection, port 2                  | for barbed connector internal diameter 6 mm with nut |
| Materials note                                | Conforms to RoHS                                     |
