

# Switch lug DASI-E21-60-S8-SL

Part number: 8081324

FESTO

## Data sheet

| Feature                                 | Value                         |
|---|-------------------------------|
| Size                                    | 60                            |
| Design                                  | For sensor M8                 |
| Design structure                        | Switch lug                    |
| Corrosion resistance classification CRC | 2 - Moderate corrosion stress |
| PWIS conformity                         | VDMA24364-B2-L                |
| Ambient temperature                     | -10 ... 60 °C                 |
| Product weight                          | 40 g                          |
| Mounting type                           | With slot nuts                |
| Materials note                          | Conforms to RoHS              |
| Material bracket                        | Galvanized steel              |
| Material screws                         | Galvanized steel              |
