

# Mounting bracket PAMP-MB-44

Part number: 8123058

FESTO

## Data sheet

| Feature                                 | Value                           |
|---|---------------------------------|
| Size                                    | 44                              |
| Series                                  | P                               |
| Corrosion resistance classification CRC | 4 - Very high corrosion stress  |
| PWIS conformity                         | VDMA24364-B2-L                  |
| Max. tightening torque, valve mounting  | 2.5 Nm                          |
| Medium temperature                      | -60 ... 80 °C                   |
| Ambient temperature                     | -60 ... 80 °C                   |
| Product weight                          | 32 g                            |
| Materials note                          | Conforms to RoHS                |
| Material screws                         | High alloy steel, non-corrosive |
| Material bracket                        | High alloy steel, non-corrosive |
